How Do I Schedule a Home Energy Audit?

To schedule a home energy audit, simply complete the attached request application and submit it to your hometown electric utility.

How Do I Qualify?

- Residential customers receiving electric service from a local municipal electric utility that is a participating member of MMPA are eligible for a reduced price home energy audit.
- **The Home Energy Audit must be performed by one of our trained professionals.**
- The Home Energy Audit must be conducted in a home that receives electric service from a local municipal utility that is a participating member of MMPA.
- Reduced price audits are limited to one audit per customer account per three years.
- Audit requests are processed on a "first-come first-serve" basis. Funding for the program is limited and any requests received after the funding limit has been reached will not be approved. Program, qualifications, and amounts are subject to change at any time. The customer is responsible for checking with the local municipal electric utility to determine whether the program is still in effect.
- Qualifying customers must apply for rebate by November 30, 2012.

COMPLETE THESE FOUR EASY STEPS TO REQUEST A HOME ENERGY AUDIT.
