By participating in our We Save program, you can keep costs down and earn rebates when you purchase an ENERGY STAR qualified room air conditioner.

What rebate can I earn?

Room Air Conditioner = \$30

What does it mean to be ENERGY STAR Qualified?

Room Air Conditioner

- Is at least **10% more** energy efficient than federal government standards.
- Includes features such as: high-efficiency compressors, high-efficiency fan motors, improved heat transfer surfaces, and timers for better temperature control.

How Do I Qualify?

- Residential customers receiving electric service from a local municipal electric utility that is a participating member of MMPA are eligible for rebates when buying ENERGY STAR qualified room air conditioners.
- Room air conditioner must be ENERGY STAR qualified and labeled accordingly to be eligible for rebates.
- **At time of purchase, room air conditioner must be on current ENERGY STAR list. (Ask your dealer which models are currently listed.)**
- The program is applicable only for the purchase of new ENERGY STAR qualified room air conditioners installed where the electricity is supplied to the participating local municipal electric utilities by MMPA.
- Customer must apply for rebate within one year of the purchase date shown on the sales receipt.
- Rebate applications must include complete dealer and appliance information and include: a copy of dated sales receipt/invoice including manufacturer, model number serial number, EER rating. Failure to complete the rebate application will result in rejection of the rebate request.
- Rebates are limited to one rebate per customer account per year.
- Rebate requests are processed on a "first-come first-serve" basis. Annual rebate funds are limited. Rebate programs, qualifications, and amounts are subject to change at any time. The customer is responsible for checking with your local municipal electric utility to determine whether the program is still in effect.
