By participating in our We Save program, you can keep costs down and earn rebates when you purchase a new furnace filter.

What rebate can I earn?

Furnace Filter = \$15

How Do I Qualify?

- Residential customers receiving electric service from a local municipal electric utility that is a participating member of MMPA are eligible for a rebate when they purchase a new furnace filter.
- Furnace filter must be installed in a home that receives electric service from a local municipal utility that is a participating member of MMPA.
- Customer must apply for rebate within one year of the purchase date shown on the sales receipt.
- Rebate applications must include a copy of dated sales receipt. Failure to complete the rebate application will result in rejection of the rebate request.
- Rebates are limited to one rebate per customer account per year.
- Rebate requests are processed on a "first-come first-serve" basis. Annual rebate funds are limited. Rebate programs, qualifications, and amounts are subject to change at any time. The customer is responsible for checking with your local municipal electric utility to determine whether the program is still in effect.
