By participating in the We Save program, you can save energy and earn a rebate when you purchase energy efficient LED lighting for your home. To qualify for rebate, LED products must be ENERGY STAR® certified or Design Lights Consortium® (DLC) qualified.

What rebate can I earn?
ENERGY STAR certified LED bulb: 50% of bulb price, up to $5 per bulb
DLC qualified tube-style LED linear lamp: 50% of lamp price, up to $5 per lamp
ENERGY STAR certified LED fixture: 50% of fixture price, up to $15 per fixture

What does it mean to be an ENERGY STAR certified bulb or fixture?
- ENERGY STAR certified bulbs and fixtures have an ENERGY STAR logo on their packaging.
- ENERGY STAR certified lighting meets strict criteria for efficiency, light output, and color quality and carries a minimum 2-yr warranty for bulbs and 3-yr warranty for fixtures.
- ENERGY STAR certified lighting uses 70-90% less energy and lasts 15 times longer than traditional lighting.
- ENERGY STAR certified lighting produces 70-90% less heat than traditional lighting, making it safer to operate while decreasing energy costs associated with home cooling.

What does it mean to be a DLC qualified LED linear lamp?
- DLC qualified LED linear replacement lamps have a DLC logo on their packaging.
- The DLC Qualified Products List (QPL) is the country's largest verified list of high performing LED lighting products that meet minimum technical specifications, including a minimum 5-year warranty.
- DLC qualified linear lamps (UL Type A, UL Type B, and UL Type C) include two-foot, three-foot, four-foot, eight-foot, and U-bend LED lamps designed to replace fluorescent lamps.

How Do I Qualify?
- Residential customers receiving electric service from the City of Le Sueur are eligible for rebates when they purchase ENERGY STAR certified LED bulbs or fixtures or DLC qualified tube-style LED linear lamps.
- Information on rebate application must match sales receipt.
- Customer must apply for rebate within one year of the purchase date shown on the sales receipt.
- Rebated bulbs and fixtures may not be used for resale.
- Rebate application must include a copy of dated sales receipt, UPC code, and ENERGY STAR or DLC logo from each type of bulb package.
- Incomplete rebate applications will not be processed.
- Limit one rebate per customer account per year. Total rebate limit of $400 paid to customer.
- Rebate requests are processed on a first-come first-serve basis. Annual rebate funds are limited. Rebate programs, qualifications, and amounts are subject to change at any time.
- Qualifying customers must apply for rebate by November 30, 2020.

| Rebate Checklist: | ☑ Completed Application
|                  | ☑ Copy of dated sales receipt
|                  | ☑ UPC Code and ENERGY STAR or DLC logo
